Deputy Director for Policy, Analysis and Evaluation/OP

SUBJECT: Possible Legislative Initiative on Annual Leave

1. The proposal has been made on a number of occasions that employees be allowed to donate their annual leave either to the Public Service Aid Society or directly to other employees who have exhausted their annual leave as a result of extended family or medical emergencies.

2. The Office of Personnel was advised by the Office of General Counsel in 1982 that legislation would be required in order to achieve this benefit. We request your guidance now as to whether: (a) this new benefit is something which Congress would be willing to provide for Federal workers; and (b) it is the right time to seek such a benefit in view of the other legislative initiatives of the Agency.
